

## Alexandria Gazette.

THURSDAY EVENING, MAY 26, 1904.

## Local Matters.

Sun rises tomorrow at 4:38 and sets 7:16. High water at 5:30 a. m. and 6:04 p. m.

WEATHER PROBABILITIES.—For this section showers and cooler tonight and Friday; fresh southerly winds, becoming north-westerly.

## Heavy Freight Traffic.

Traffic over the Southern and Washington-Southern Railways has been very heavy recently. Large strings of freight trains have been passing over these roads continuously day and night, and there has been at times a congestion. Hundreds of cars are stretched on the five or six tracks of the two roads which extend from Payne street several miles west, while the track running from St. Asaph Junction to Portner's Brewery is always occupied by freight trains. Double header trains three squares long are passing through the city at all times, and the congestion at the Long Bridge seriously interferes with the running of the electric trams between this city and Washington, one train having been kept at the bridge about forty minutes this morning. There are nearly five hundred cars of goods lying in the Pennsylvania yards in Washington, and more are coming in daily. A number of complaints were made to the Pennsylvania yesterday by Southern railway men, but so far no relief is in sight. The freight now lying in Washington was brought from the South and southwest by the Chesapeake and Ohio, the Southern, the Atlantic Coast Line, the Seaboard Air Line, the Richmond, Fredericksburg and Potomac, and the Norfolk and Western. It is said that the Pennsylvania Railroad is making an attempt to move only the perishable matter. It is also said the freight is coming in faster than it is being removed. It is estimated that more than 900 cars of freight are blocked in this city and Washington. The congestion is said to be a result of the strike of the freight handlers in New York. The officials of the railroads running into Washington from the South and West and operating to the North by agreement with the Pennsylvania system are confronted with a freight congestion which promises to cause a complete blockade of freight in Washington.

## Hospital Ambulance.

As stated in the Gazette of that day the ambulance for the Alexandria Hospital, which was ordered some time ago, was turned over to that institution yesterday. It is quite a handsome vehicle, the body being of an olive green color, with trimmings of black and gilt artistically combined, while the wheels are maroon with black trimmings. The driver's seat is upholstered in olive green leather, with handsome lamps on either side, while in front, at the driver's feet, is a large, sweet-toned gong. The two windows of bevel glass on either side are stationary, while just above are ventilators in the natural wood. The windows to the doors are of the same quality of glass, only they can be raised or lowered. The interior is finished in natural wood, and supplied with stretchers, mattress, seat for the doctor or attendant, with provision made for heating. The wheels are rubber tired, and on the sides of the vehicle the lettering, "Alexandria Hospital Ambulance," is in block letters, without ornamentation. Altogether the whole is simple and elegant, yet not ostentatious. The money for this much needed adjunct to the hospital was raised by the generosity of: A friend, \$5; Sharps and Flats, \$150; a friend, \$25; friends, \$15; Washington-Southern R. W., through W. D. Duke, \$100; through H. C. A., \$100; Dr. M. W. O'Brien, \$50; a friend, \$50; P. Aitchison, \$5; Mrs. J. C. Smart, \$10; a friend, \$1.25; a friend, \$1, and a friend, \$25. To them due acknowledgment is made and to them our community owes a debt of gratitude, but more particularly those unfortunates who have occasion to need it. The Gazette congratulates the hospital and the city upon its receipt.

## Decoration Day.

As has heretofore been stated, the National Cemetery, under the supervision of Capt. J. V. Davis, affords a charming picture, everything being ready for Decoration Day services, on Monday next at 3:30 p. m. The following will be the programme of exercises: Assembly, bugle; "God Bless Our Native Land," choir; invocation, Rev. J. A. Jeffers; Gloria, choir; reading Lincoln's Gettysburg Speech, W. P. Graves; "Freedom's Banner," choir; oration, Rev. John A. Wray; "All Hail Victorious Emblem," choir; address, Rev. J. A. Jeffers; "Nearer my God to Thee," choir; benediction, Rev. John A. Wray; volley, Alexandria Light Infantry; taps, bugle. The music will be under the direction of Prof. J. S. Renner. A cordial invitation is extended to all Alexandrians to participate in the exercises. Contributions of flowers are earnestly solicited, and they will be thankfully received.

## Property Sales.

For the purpose of settling the estate of the late Frederick Paff, Mr. S. H. Lant sold at auction today a lot of ground 58x100 feet, improved by a fine 8-room brick house situated on the east side of Patrick street, between Cameron and Queen, to Mr. F. J. Paff, for \$3,700. A lot of ground fronting on a 10-foot alley, which leads from Patrick to Alfred streets, said lot being 20x60 feet and situated on south side of alley, and 100 feet east from Patrick street, to Mr. Charles Paff, for \$50. Two more combined lots of ground with 45 feet frontage on the north side of King street with a depth of 100 feet to a 10-foot alley, and improved by two 3-story brick buildings—a court 27x30 feet in the rear is included with this property—to Isaac Eichberg, for \$5,500. A portion of this property is subject to an annual ground rent of \$350. Fifteen years ago this same property was sold for \$4,750.

## Banquet and Thanks.

The Knights of Columbus of Fitzgerald Council entertained last night, at Bohaus's hotel, seven new Alexandria knights. The occasion was most pleasant and during the banquet the knights, by acclamation, tendered thanks to Mr. H. F. Robertson, of the Christ Church vestry, and to Mr. R. W. Arnold, of Alexandria-Washington Lodge, for invitations recently extended visiting K. of C. to see the antiquities at Christ Church and at the lodge rooms.

## River Notes.

It has been found that the main shaft of the steamer Lily & Howard, now on the railway at the ship yard, was badly damaged in the accident that caused the steamer to lose her wheel, and it will be several days before she is ready to return to service on the river.

A supplemental steering wheel and gear has been erected on the after part of the hurricane deck of the Norfolk and Washington line steamer Washington, and will be used to steer the steamer should accident disable the steam steering gear. The new gear is of the latest type of handsteering apparatus, and is to be installed, it is stated, on the other steamers of the Norfolk and Washington line.

The schooner Norman, from St. Johns, N. B., with laths for Washington, arrived off the city last night. This morning Dr. Arthur Snowden, marine hospital surgeon, went aboard and gave the vessel a clean bill of health, after which the schooner proceeded up the river.

## Deaths.

Mrs. Mattie J. Saunders died at her home, 113 north Payne street, yesterday. The deceased was a native of Culpeper. She was 50 years old.

George P. Dumont, a native of Pennsylvania, died at the Alexandria Hospital at an early hour this morning. The deceased had been suffering from typhoid fever. He was 36 years old. The remains will be shipped to Ellenton, Lycoming county, Pa., for interment.

Alexander Paender, colored, died at 512 Gibson street yesterday. The deceased was a barber by occupation.

W. Demaine & Son will ship the remains of James Strother, who was accidentally shot and killed Tuesday night by a colored man named Fairfax, to Dover, Loudoun county, for interment.

## Police Court.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

James Bailey, arrested by Officer Allen charged with vagrancy, was fined \$5 or given 20 days in jail.

Joseph Lucas, arrested by Officers Arrington and Allen charged with a similar offense, was dismissed.

O. G. Lane, arrested by Officers Nicholson and Mayhugh charged with assaulting James Dean, was fined \$10.

Michael De Silver and Wm. Young, charged with trespassing upon the property of the Southern Railway Company, had their cases continued.

Toots Olden, arrested by Officer Knight, charged with assaulting Sarah Knight, had his case continued.

## Will Appeal Cases.

Mayor Simpson will in future request Corporation Attorney Boothe to attend sessions of the Police Court when cases are tried in which the question of licenses is involved, and where parties charged with conducting business without licenses are dismissed appeals will be taken. A few days ago a colored man who had contracted for some carpenter's work was arrested and arraigned in the Police Court and Justice Caton in summing up the case decided that the law requiring contracting carpenters to obtain licenses was not intended to apply to the accused, who, it appeared, had executed some minor work, and dismissed the charge against him.

## Fell and Broke His Neck.

R. L. Douglass, a brakeman on the Southern Railway, fell from a box car at Culpeper yesterday evening and broke his neck. He was picked up placed in a caboose and reached the depot in this city early in the night. A message was sent to the Alexandria Hospital and the new ambulance was brought into requisition for the first time. The vehicle as it passed up Fairfax into King streets sounding its gong attracted considerable attention. The injured man was soon taken to the hospital where he was attended by the company's surgeon. He died shortly after 3 o'clock this afternoon. The unfortunate man was a native of Albemarle county.

## Died from His Injuries.

William Bryant, the Newport News boilermaker, who was struck by a Washington-Southern train near Bush Hill, Fairfax county, yesterday morning, died at the Alexandria Hospital between four and five o'clock yesterday evening. Mayor Simpson sent a dispatch to Bryant's relatives in Newport News and received an immediate response to have the remains shipped to the home of the deceased at the expense of relatives. Mr. B. Wheatly will place the body on the Norfolk steamer tonight.

## High Jumper Dead.

Montrose the well known high jumper, owned by Mr. Chas. R. Hoof, jr., of Seminary Hill, died in Washington yesterday from the effects of a fall on the asphalt streets, which broke his hip bone and ruptured a blood vessel. Montrose had a record of 7 ft. 4 in., having been a heavy winner in the western shows. He had carried his owner in splendid form for two seasons of cross country hunting without a fall. He was valued at one thousand dollars.

## Wedding.

Mr. Manley T. Hicks and Miss Irene Davis, daughter of Mr. and Mrs. Howard Davis, were married last night at the home of the bride on south Lee street in the presence of a number of friends. The ceremony was performed by Rev. P. P. Phillips, of St. Paul's Church. The bride was the recipient of a number of pretty and useful presents.

## Cargo of Corn.

The schooner John P. Robinson arrived today from Wakefield, Westmoreland county, with a cargo of river corn. It is pronounced one of the finest in voices that has been received here for a long time. It is consigned to T. F. Burroughs, Son & Co. The corn was grown on the farm where George Washington was born.

## Horse and Chicken Thieves.

It was stated yesterday that horse thieves were operating in Alexandria and Fairfax counties. It is also reported that chickens and turkeys are being stolen from premises adjoining this city. Mr. McManamy, living a short distance west of Alexandria, lost a number of turkeys and hens on Thursday night.

## Made Young Again.

"One of Dr. King's New Life Pills each night for two weeks has put me in my 'teens again," writes Dr. H. Turner, of Dempsie, Pa. "They're the best in the world for liver, stomach and bowels. Purely vegetable. Never gripe. Only 25c at E. S. Leadbeater & Sons drug store."

## Personal.

## Baseball.

A very close game of baseball is expected between the Episcopal team and that of the Southern Methodist on Saturday evening at 5 o'clock on the diamond on north Henry street. Everybody is invited to come. The territory for the Episcopal nine will be Poole and Tennyson. The Southern will line up as follows: D. Halfish, 1st b.; H. Chilcott, 2nd b.; W. Cox, 3rd b.; M. Stearns, s. a.; G. Prentman, r. f.; P. Halfish, c. f.; A. Smithers, 1. f.; L. Sullivan, c.; C. Campbell, p. Substitutes—Crump, Clark, Biggs and Duffy.
